

## 2<sup>nd</sup> INTERNATIONAL RESEARCHERS' TRAINING SEMINAR

UICISA: E - 2017

APRIL, 04<sup>TH</sup>, 14H30, CAMPUS C

On April, the 04<sup>th</sup>, the Health Sciences Research Unit: Nursing organizes the 2<sup>nd</sup> International Researchers' Training Seminar of the year.

The seminar will be held from 14:30am to 17:00pm in the Conference room of the Research Unit, Campus C of the Nursing School.

Two presentations are scheduled:

Prof. Helena Loureiro, School of Health, University of Aveiro, Portugal, with the Post-PhD project **Respostas adaptativas individuais e familiares numa sociedade laboral tendencialmente envelhecida**.

RN Paulo Costa, Nursing School of Coimbra, research grant holder at UICISA: E, with the Master project **Gestão de Material Clínico de Bolso por Enfermeiros: fatores determinantes e avaliação microbiológica**.

Research initiation to Advanced research researchers are welcome to attend this action.

Doctoral and master students willing to present their project may register **until March 28<sup>th</sup>**. This is a unique opportunity to further develop their research ideas and share their experience.

Please forward a four-page summary (font 12, space 1.5) with your presentation together with this register form filled in to [investiga@esenfc.pt](mailto:investiga@esenfc.pt). If you just want to attend please only forward the form.

Each presentation will take about 20 minutes followed by a discussion session.
