

NURSES TO NORWAY

Global Working is an international recruitment agency connecting individuals to companies across the world.

We believe in a world where people can work and develop anywhere in the world. We believe in a world with no spatial or cultural limits where people can work abroad, develop themselves, and reach their professional goals internationally. That is why we carefully handpick candidates to train and facilitate their contact with large international companies across the globe.

Our program Nurses in Norway, provides you with a permanent well paid nursing position. Your responsibilities will consist of taking care of patients in day centers, residences, home care, hospitals, etc. You will be given the opportunity to develop professionally in the Norwegian Public Health Sector and have the best nurse / patient ratio in Europe, with an average of 17.4 nurses per thousand inhabitants (while the average ratio for whole Europe is approximately 9.1 nurses per thousand inhabitants).

What does the Global Working Experience offer you?

- You will have a permanent full-time contract and a salary guarantee of up to 100%.
- You will have an annual salary of € 45,000 - € 60,000 gross per year.
- You will have a paid travel program from Norway to your home country, so you can visit your family.
- Accommodation and expenses (electricity, water, and internet) included in a shared or individual flat.
- Possibility of enrolling in the nursing specialty.
- Before travelling to Norway, you will receive an online language program where you will achieve the required Norwegian level.
- The Global Working Learning Guarantee ensures that 100% of the people who carry out the language program reach the necessary language level. The Global Working Job Guarantee ensures that 100% of the people who reach the language level work in Norway.
- We help arrange your journey.
- We provide you with the training and support necessary to adapt to your new city.
- If needed, we provide you advice upon your return.

Requirements:

- Be willing to relocate to Norway.
- EU citizenship or valid work permit for Norway.
- University Degree in Nursing from a EU University.
- Good written and spoken English (at least level B2).
- Driver's license is desirable.
- Previous work experience as a nurse is desirable, but not mandatory.

Please note that for this position it is not necessary to have previous skills in Norwegian as we will give you a full language education. If you already have a level B1 in Norwegian, there is no need to take the language course that we offer. If you want to know more about living and working in Norway, do not hesitate to register and we will give you all the information you need.
