

PUBLIC NOTICE (Research Initiation Fellowships)

Call open by the Health Sciences Research Unit: Nursing (UICISA: E) to award fifteen Research Initiation Fellowships (*Bolsas de Iniciação à Investigação, BII*), within the scope of the FCT Special Support Program Verão com Ciência, ref. VerãoComCiência/2022_BII. The fellowships are funded by national funds through FCT budget in the following conditions:

Scientific Area: Nursing

Admission Requirements: Students enrolled in an undergraduate nursing degree, or in a Master of Nursing degree, or proof of graduate completion and registration in a non-degree course.

Preferred requirements: Experience of participation in research activities and activities linking education and research. High level of written and spoken English.

Work Plan: Development of research initiation activities at the Research Unit within the scope of the integrated action project for the development of the Research Unit. These activities aim to encourage the initiation to scientific activity for the promotion of the scientific and technological culture and the dissemination of scientific and technical knowledge among higher education students.

The activities will be developed within the scope of fourteen research projects in the areas of Experimental and applied research in health care technologies; Citizen Involvement and Society Outreach; Synthesis and Implementation of Science; Elder frailty; Children health promotion; coronary artery disease; rehabilitation; and training.

Examples of the activities to be developed include transcription of interviews and collaboration in the analysis of qualitative data; insertion in databases and analysis of quantitative data; database search; participation in project consortium meetings; collaboration in the study selection process for literature reviews; participation in outreach activities to improve knowledge of society, through the development of evidence summaries for citizens; reading and analysis of implementation reports of the best evidence, among others.

Applicable law and regulations: The Research Fellowship will be awarded in accordance with the Research Fellow Holder Statute (Law no.40/2004 of 18 August and Decree-Law no. 123/2019 of 28 August) and the legislation, Regulation of Special Supports, Regulation of Research Fellowships of the Foundation for Science and Technology, I.P, in force, regulation no. 950/2019 of 16 December 2019 and its first amendment to the FCT Research Fellowships Regulation, Regulation no. 643/2021 <https://www.fct.pt/apoios/bolsas/regulamento.phtml.pt>. Due to the urgency of this process, paragraphs a) and c) of Art. 124 of the Code of Administrative Procedure will be applied. Candidates cannot previously have benefited from another grant of the same type (and, after this grant has been completed, they will not be eligible for another grant of the same type

Workplace: The work will be developed at the Health Sciences Research Unit: Nursing, Nursing School of Coimbra, UICISA: E_ESEnfc, (8 BII); Cluster of the Health Sciences Research Unit: Nursing at the Nursing School of the University of Minho, UICISA: E_ESEUMinh, (3 BII); Cluster of the Health Sciences Research Unit: Nursing at the Health School of the Instituto Politécnico de Viseu, UICISA: E_ESSIPViseu, (2 BII); Cluster of the Health Sciences Research Unit: Nursing at the Health School of the Instituto Politécnico de Bragança, UICISA: E_ESSIPBragança, (1 BII); Cluster of the Health Sciences Research Unit: Nursing at the Health School of the Instituto Politécnico de Viana do Castelo, UICISA: E_ESSIPViana do Castelo, (1 BII).

Under the supervision of: UICISA: E_ESEnfc: António Manuel Fernandes, Arménio Guardado Cruz, Filipa Cardoso, João Graveto, Liliana Baptista Sousa, Pedro Parreira, Rosa Carla Silva e Anderson Rêgo. UICISA: E_ESEUMinho: Odete Araújo, Silvana Martins, Rafaela Rosário, Silvana Martins, Ana Duarte, Ana Paula Macedo, Silvana Martins, Daniela Santos e Adriana Taveira. UICISA: E_ESSIPViseu: Madalena Cunha Nunes. UICISA: E_ESSIPViana do Castelo: Carminda Morais. UICISA: E_ESSIPBragança: Adília Fernandes.

Fellowship Duration: The fellowships will last 1 month, on an exclusive basis, due to start in September 2022.

Monthly maintenance allowance: The monthly allowance is €486,12, in accordance with the table of monthly maintenance allowances applicable to the fellowships covered by Regulation no. 950/2019 (updated values that entered into force on 1 January 2022, <http://www.fct.pt/apoios/bolsas/valores>). This monthly allowance will be paid at the end of the month by bank transfer.

Selection Methods: The selection is based on **curriculum evaluation** through full classification from 0 to 20 points, based on the assessment of the curriculum vitae. The Jury reserves the right to request additional information to the candidates about the submitted curricular information.

Composition of the selection jury:

President of the Jury:

Rogério Clemente Rodrigues (Integrated PhD Researcher of the Health Sciences Research Unit: Nursing).

Members:

Liliana Baptista Sousa (Integrated PhD Researcher of the Health Sciences Research Unit: Nursing)

Filipa Isabel Quaresma Santos Ventura (Integrated PhD Researcher of the Health Sciences Research Unit: Nursing)

Alternate member:

Elaine dos Santos Santana (Post-doctoral fellowship of the Health Sciences Research Unit: Nursing)

Disclosure/notification of results: The final results of the evaluation will be published in a ranked list at a visible and public area of the Nursing School of Coimbra and on its official webpage. The selected candidates will be notified by email.

Deadline for application and application procedure: The call is open from 14 to 20 July, 2022. Considering the exceptionality of the support to be granted and the short duration of the grants, the public notice is open to the reception of applications only for a minimum of five working days.

The following documents must be attached to the applications:

Motivation letter (dated and signed*); Detailed Curriculum Vitae (dated and signed*); proof of enrolment in an undergraduate nursing degree or ; and other documents that the candidates may recognize as relevant for the assessment of their merits.

The documents mentioned above must be sent in PDF format by email to: investiga@esenfc.pt, indicating the reference VerãoComCiência/2022_BII in the email subject line. Applications submitted by any other means will not be accepted (e.g, hand delivered, official postal service, digital platforms, ...).
