Two (2) print copies of these documents, mentioned in sub-paragraphs e) and f) of paragraph 8.1 of this notice, must be also submitted.

8.4 - The *curriculum vitae* must be submitted in Portuguese or, in the case of candidates from foreign countries, in English.

8.5 - The supporting documents attached to the *curriculum vitae* must be submitted in their original language and be translated into Portuguese or English if these are not their original languages.

9 - Exclusion from the tender:

9.1 - Candidates who do not submit the documents required in this notice within the deadline established shall be excluded from this tender.

9.2 - The submission of false documents will lead to immediate exclusion from the tender and reporting of the facts to the competent authority for purposes of criminal prosecution.

9.3 - Candidates who do not meet the admission requirements will be excluded. These candidates will be notified in advance of their exclusion by email so that a “Hearing of Interested Parties” can be held under the terms of Administrative Procedural Law.

10 - Following the preliminary evaluation of the *curriculum vitae* of admitted candidates, the jury may decide to hold public hearings, in which case all candidates will be informed of the date and place of the public hearings at least five days in advance.

11 - The documents provided by candidates shall be returned upon request, three months after the termination of this tender, except if the tender has been subject to judicial objection, in which case the documents shall only be returned after the jurisdictional decision is made.

12 - Selection and ranking criteria, assessment system, and final classification (established under the terms of article no. 7 of Order no. 6279/2019, of 9 July):

12.1 - Candidates shall be selected through the curricular assessment method. The final classification shall be based on a grading system composed of parameters, criteria, and weightings.

12.2 – In the curricular assessment, only the degrees and other training courses, titles, publications, activities, and other items completed/obtained up to the date of publication of this notice will be considered, according to the following parameters:

a) The candidate's qualification (Q), evaluated based on the candidate's academic and training experience, considering the following criteria:

- The academic degrees and the title of nurse specialist in Nursing obtained in accordance with Decree-Law no. 206/2009, of 31 August;
- Specialized and postgraduate training.

b) The candidate's technical-scientific and professional performance (DTCP), evaluated based on the analysis of the most relevant work and activities to the subject area of the tender:

- Scientific publications;
- Scientific and technological dissemination activities;
- Participation in R&D projects;
- Professional experience in the subject subarea of this tender.

c) The candidate's teaching capacity (CP), evaluated based on the quality and extent of their previous teaching practice, considering the following criteria:

- Course units and type of classes supervised and taught in the several cycles of studies;
- Experience in the elaboration of pedagogical materials and implementation of innovative techniques and methods to support teaching in higher education institutions.

d) Other activities relevant to the ESEnfC mission (OAR), evaluated based on the individual activities developed by the candidate, considering:

- Provision of services and consultancy.
- Positions and responsibilities in higher education institutions and others.
- Professional, cultural, and social activities and others considered relevant by the candidate to the ESEnfC mission.

12.3 – The criteria and weightings for the various curricular assessment parameters are defined by the jury and available for consultation under the terms of paragraph 8.1(h) of this notice.

12.4 - The final classification (CF), on a scale of 0 to 100 points, is obtained through the following formula: $CF = (0.30 Q + 0.25 DTCP + 0.25 CP + 0.20 OAR)$. The classification (C) will use a scale from 0 to 20 points, applying the formula $C = CF/5$. Candidates who have a final classification equal to or higher than twelve points are considered approved with absolute merit.

12.5 - In case of a tie, the final classifications to two decimal places will be applied and, in case a tie still exists, the tie-break criteria will be applied as follows: 1) Best score of the sum of DTCP and CP; 2) Best classification in CP; 3) Best classification in DTCP; 4) Best classification in OAR.
